MEDICAID MADE EASY
A Training that Answers the Questions Families Have About Medicaid

Medicaid Made Easy will give you a solid understanding of Medicaid programs for children and how they’re funded. Most importantly, it’s focused on how these programs work for Wisconsin families.

We’ll cover:

- Finding your child’s “doorway” into Medicaid.
- Medicaid-funded programs like Children’s Long-Term Supports.
- What a Wisconsin ForwardHealth card covers for your child.
- The next steps with resources to learn more.

When: Tuesday, October 6, 3:00 - 4:30pm

Where: Join the session using your computer, I-Pad or smartphone using Zoom video conferencing or listen using your phone.

Sign Up: Online at go.wisc.edu/p50rt3

After registering, you will be sent a Zoom link and phone number to participate. Please view the 30 minute online training before Oct 6th at familyvoiceswi.org/learn/medicaid-made-easy/
