What is the Role of School Nurses?

Thursday, October 8th
1:00pm-1:45pm
On-line via Zoom

To register and receive the Zoom Link for the conversation go to: https://go.wisc.edu/786y37

Tim Markle, Director of the Southern Regional Center for CYSHCN, will talk with Louise Wilson who is the School Nursing and Health Consultant for the WI Department of Public Instruction. We will having a conversation about what school nurses do and how important it is for families of children with special needs to build a relationship with their school nurse.
