Informal time and space for families to learn, share and ask questions.

A Guide to Implementing IEPs and Monitoring Progress of IEP Goals When Moving Between In-Person, Hybrid or Virtual Learning Environments

Thursday, February 4
12:00pm-12:45pm
Online via Zoom

To register and receive the Zoom link for the conversation go to: https://go.wisc.edu/conversations

For upcoming topics and past recordings go to: https://cyshcn.waisman.wisc.edu/conversations-on-showing-up-for-kids/

Tim Markle, Director of the Southern Regional Center for CYSHCN, will talk with Sharon Madsen, from the Wisconsin Department of Public Instruction. To help IEP teams navigate the shifting learning environments, they researched and put together some best practices for implementing IEP goals. Learn about the guide and how it can be useful for IEP teams—including families!
